ABOUT

ABOUT ME

Salesforce Developer & Frontend Developer

Hello! I'm Anara. I'm a dedicated individual with a passion that spans two exciting worlds: Salesforce specialist and Frontend development. When it comes to creating captivating user experiences, my heart truly belongs to frontend development. But that's not all —my enthusiasm extends to the realm of Salesforce administration. I find immense satisfaction in configuring, customizing, and optimizing Salesforce platforms.

Name: Anara Akmatalieva

Experience: 2 Years

Email: anara.moltur@gmail.com

Freelance: Available

Degree: Bachelor

Phone: +905075251108

Address: 4 Inish Street, Ankara, Turkey

EDUCATION & EXPERICENCE

My Expericence

Salesforce Administrator

Getforce | Mar 2023-Present

- Developed and managed custom applications, custom objects, and fields, page layouts, formulas, rollup-summary, record type and validation rules.
- Deployment Property Management App
- Configured workflow rules, process builders, and approval processes for automating business logic.
- Troubleshot and resolved system issues.

Javascript Developer

LeanConvert | Oct 2022 - Mar 2023

- Develop and implement AB tests for various clients,
- Using my expertise in JS, CSS, SCSS, web components to create high-quality and innovative solutions for clients.
- Build internal tools that optimize AB testing processes

Frontend Developer

Emplosoft | Apr 2020 - Sep 2022

Developed and implemented highly responsive components using React and Redux.
-Optimized app performance and loading speed by implementing lazy loading using React Router.
-Took ownership and built the front-end of the CRUD app.
-Developed authorization and pagination features.
-Added search bar with debouncing, client-side sorting and filtering.
-Improved the website performance by using CSS sprites for fewer HTTP requests.
-Implemented a mobile-first design using different CSS techniques and JavaScript libraries

My Education

Web Development

Fullstack IT Bootcamp | Nov 2020-May 2021

Dedicated and motivated web developer with a strong foundation in web development principles and technologies acquired through intensive bootcamp training. Seeking opportunities to contribute to dynamic projects, utilizing my skills in front-end and back-end development to create user-friendly and visually appealing websites.

Bachelor's degree, Philology

from Kyrgyz State University I. Arabaev | 2011 - 2015

I embarked on a transformative academic journey at Kyrgyz State University I. Arabaev, pursuing my passion for language and culture through a Bachelor's degree in Philology. Over the course of four enriching years, I delved deep into the intricacies of linguistics, literature, and language studies.

MY SKILLS
